

Weekly Action Plan

Our Weekly Action Plan is designed to help you **recapture and build on** what God is teaching from Sundays message.

If you missed last weeks message you can listen to it [here](#).

Corrie Ten Boom, a holocaust survivor, once said, *"Never be afraid to trust an unknown future to a known God."* If you take the time today to reread Hebrews chapter 11 you'll see over and over again that this is exactly what the people mentioned in the chapter choose to do. **"By faith Abraham, when called to go to a place he would later receive as his inheritance, obeyed and went, even though he did not know where he was going."**

Think about that.

Abraham obeyed and **went... not knowing** where he was going.

Remember faith is not primarily the thoughts you affirm to be true. It is best represented when we choose to base our actions on God's revealed Truth or

promise. One of the Greek definitions for the word faith is fidelity.

Fidelity: *faithfulness to a person, cause, or belief, demonstrated by continuing loyalty and support.*

One danger in reading Hebrews 11 is that we can come to see faith as only being associated with the big and difficult decision in life. It is not. Because faith is always best represented in our faithfulness whether the decisions are big or small, easy or hard, knowing what the outcome is or not. Anytime we act *faithfully* - that is faith at work in our life! And God is pleased anytime we choose to base our decisions on His Truth or promises (Heb. 10:38 & 11:6)!

Store it up:

Committing verses to memory is a key way to hold on to the truths of God that we need to be reminded of regularly. Here is a great verse, *“And without faith it is impossible to please God, because anyone who comes to him must believe that he exists and that he rewards those who earnestly seek him.”* -Hebrews 11:6
