## HERMAN MELVILLE

*"what depths of the soul does Jonah's deep  
sealine sound!" - Page 36 Herman Melville*

Shipmates, this book, containing only four chapters - four yarns - is one of the smallest strands in the mighty cable of the Scriptures. Yet what depths of the soul does Jonah's deep sealine sound!... As sinful men, it is a lesson to us all, because it is a story of the sin & hard-heartedness... All the things that God would have us do are hard for us to do... ***And if we obey God, we must disobey ourselves;*** and it is in this disobeying ourselves, wherein the hardness of obeying God consists. -Page 36
