What do I need to stop? How can I slow down?

It's the years of choices, conscious and unconscious, that plays a huge part in determining who you become. If you don't occasionally take stock, you will miss the opportunity to change behaviors that are devastating for your spiritual and relational health that God designed you to enjoy.

Discovery questions from reading / watching:

1. What did I discover about God's character?
2. What did I discover about what God has done for us?
3. What did I discover about life and how to respond to God?
